Shade

Garden Gate Nursery invites you to purchase trees at their nursery. For **2 days only** you have the opportunity to purchase large trees that you cannot get at the local big box stores.

Take advantage of this *limited-time opportunity* to access spectacular trees. **We are selling big trees that are beautifully filled out and are ready for your yard.** Don't take our word for it, come see for yourself.

Our trees are in pots, not bare root. You can take our trees home and plant them the day you purchase.

Plant our trees now while the weather is beautiful.

DON'T MISS THIS BRIEF OPPORTUNITY.
